

ProGyp+

Greens Grade

Protene®

Performance Fertilizer

Application Recommendations:

Actual application rate depends on your soil test results.

To maintain optimal growing conditions, apply TurfGyp+ at 4 pounds per 1,000 ft³ or 170 pounds per acre monthly through the growing season.

Water in thoroughly.

To correct high sodium or loosen clay soils, apply TurfGyp+ at 9.5 pounds per 1000 ft³ or 400 pounds per acre. Water in thoroughly.

Not for use in organic crops and organic food production in the state of California

Guaranteed Analysis

Calcium (Ca)	22.5%
Combined Sulfur (S)	19.0%
Calcium Sulfate Dihydrate (CaSO ₄ • 2H ₂ O)	96.0%

Derived From: Calcium Sulfate Dihydrate.

F002058

NET WEIGHT 50 POUNDS (22.7 kg)

SPREADER SETTINGS: For all spreader settings please visit www.ProteneUSA.com. Please note, spreaders need to be properly calibrated before application.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn, and sweep any product that lands on the driveway, sidewalk, or street back into your lawn.

Information regarding contents and levels of metals in this product is available on the internet at <http://www.proteneusa.com/metals>.

We recommend that you follow the Green Industries BMP'S at: http://fyn.ifas.ufl.edu/professionals/GI-BMP_publications.htm.

We recommend that you follow the Golf Course BMP's at: <http://www.dep.state.fl.us/water/nonpoint/docs/nonpoint/glfbmp07.pdf>.

LOT #1111111

Turf Fertilizer
6-5-6 + Mycorrhiza
Greens Grade

Protene®
Performance Fertilizer

Protene® fertilizers are ideal for providing organic matter in a responsible fertilizer program. Free of sewerage sludge and manure.

Application Rates:

Apply 7-10 lbs per 1,000 sq. ft. at a time of aeration. Drag back in holes with top-dress. Place under new sod or in top 2-3" of new seeding areas at the same rate.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden, and sweep any product that lands on the driveway, sidewalk, or street back into your lawn/garden.

To avoid tracking do not apply to wet turf. Apply only to dry turf and water in thoroughly.

Not for use in organic crops and organic food production in the state of California
